

# DICE FESTIVAL

## how to play:

1. on each night, there are six acts.
2. when, and if, each act will perform, will be determined by the roll of a die.
3. the rolling of the dice will be completed by the evenings host, the dice master.
4. the dice will be rolled six times.
5. each act risks performing six times, and not performing at all.
6. we like the number six.
