Alice Neel: Hot Off The Griddle

Art Gallery, 6.30-8.30pm

The largest UK exhibition to date of American artist Alice Neel (1900-1984), *Hot Off The Griddle* documents her vivid portraits which capture the shifting social and political context of the American 20th century.

RESOLVE Collective: them's the breaks

Curve, 6.30-8.30pm

Creating a large-scale installation built on site using objects foraged from London's cultural institutions and exhibitions, *them's the breaks* examines radical ideas for organising both within and without institutions.

Bar and DJ Set with Sisu

Garden Room, 6-9.30pm

Grab a drink from our bar to enjoy in the green oasis of the Conservatory and hear DJs from DJ collective Sisu mix some fantastic tracks.

Alice Neel Curator Talk

Garden Room, 7-7.15pm

Curatorial Assistant Annabelle Bai Jackson gives a fascinating insight into the exhibition, exploring Alice Neel's vivid approach to figurative painting and the social impact of her work.

RESOLVE Collective Curator Talk

Garden Room, 7.45-8pm

Curator Jon Astbury joins us for an introductory talk about the commissioning of this large-scale installation and the meaningful work that RESOLVE do both within and outside institutions to spark social change.

Portraits & Placards Workshop with Originary Arts

Conservatory Terrace, 6-9pm

Create bold and colourful portraits of fellow Members, taking inspiration from the vivid style of Alice Neel. Challenge yourself to observe and get to know the people posing through the act of drawing them.

Concrete Poetry Workshop with Originary Arts

Conservatory Well, 6-9pm

Inspired by *them's the breaks*, create new patterns of poetry from words and phrases dissected from art institutions' documents and policies and build a wall of words together to see if communal messages emerge between the cracks.

Members' Lounge

Open 5-10pm

Escape the hustle and bustle of the Centre and enjoy a drink or light snack in comfort. Between 5-6pm, enjoy Happy Hour cocktails for £7.50.
