Barbican announces Nala Sinephro debut performance

Nala Sinephro
Friday 18 October, 7:30pm
Barbican Hall
Tickets from £20 plus booking fee

Electrifying composer **Nala Sinephro** makes her Barbican debut, bringing her unique, blended jazz sound to the Hall.

Sinephro's music is equal parts meditative and ecstatic, mixing jazz sensibilities with folk and field recordings. Her musical practice is rooted in the study of frequency and geometry and guided by the premise that sound moves matter.

Her debut album *Space 1.8* was released in 2021 on Warp Records to much critical acclaim. It takes shape as a metaphysical structure - where each curative space is an orb-like cocoon created by Sinephro in service of relief and affirmative, ecstatic freedom.

Space 1.8 was composed, produced, performed, engineered, recorded and mixed by Sinephro, at age 22. On the album, she plays modular synths and pedal harp alongside her friends James Mollison, Shirley Tetteh, Nubya Garcia, Natcyet Wakili and more.

In her debut Barbican show she will be joined by her band to perform a special one-off show.

Produced by the Barbican and Parallel Lines

About the Barbican

The Barbican is a catalyst for creativity, sparking possibilities for artists, audiences, and communities. We showcase the most exciting art from around the world, pushing traditional artistic boundaries to entertain and inspire millions of people, create connections, provoke debate, and reflect the world we live in.

We are an international arts and events centre rooted firmly in our own neighbourhood, collaborating with local communities and putting the City of London on the map as a destination for everybody. Central to our purpose is supporting emerging talent and shaping opportunities that will accelerate the next generation of creatives.

As a not-for-profit, we rely on the generosity of individuals and organisations, including our principal funder the City of London Corporation. Every ticket purchased, donation made, and pound earned supports our arts and learning programme and enables the widest possible range of people to experience the joy of the arts.

Opened in 1982, the Barbican is a unique and audacious building, recognised globally as an architectural icon. As well as our theatres, galleries, concert halls and cinemas, we have a large conservatory with over 1,500 species of plants and trees, a library, conference facilities, public and community spaces, restaurants, bars, and a picturesque lakeside oasis.

We're proud to be the home of the [London Symphony Orchestra](#), and a London base of the [Royal Shakespeare Company](#). We regularly co-commission, produce and showcase the work of our other associates and partners including the [Academy of Ancient Music](#), [the BBC Symphony Orchestra](#), [Boy Blue](#), [Britten Sinfonia](#), [Cheek by Jowl](#), [Darbar Festival](#), [Doc'n Roll Film Festival](#), [Drum Works](#), [EFG London Jazz Festival](#), [London Palestine Film Festival](#), [Serious](#), and [Trafalgar Entertainment](#).
